

ALU-LOFT

shaping spaces

freedom to create
design doors for your space

More than doors. *Crafted for You.*

01

Aluminium that performs

A modern alternative to steel.
Lightweight, durable and
corrosion-resistant.

02

Modular system with replaceable glass

Designed with ease of use
in mind — the glass can be
replaced without dismantling
the entire structure.

03

Proven quality

Tested for 10,000 opening
and closing cycles —
a durability standard
confirmed by an independent
certifying body.

04

Your design

Choose the colour, size, layout
and accessories. Every project
can be tailored to your space.

05

120+ distributors across Europe

See our doors in real interiors
and benefit from the support
of our expert partners.

06

Shorter lead times

Thanks to an optimized
production process and modular
design, we can deliver your
project faster than standard
solutions on the market.

All options from the range	Colours	All options from the range
All handles and pull handles from the range	Accessories	All handles and pull handles from the range
Yes	Sidelights possible	Yes

ALU-LOFT

ALU-LOFT single doors

Light. Space. Simplicity.

Single doors bring more natural light into the interior, creating a subtle division between spaces.

Clean form, everyday comfort and timeless character.

SPECIFICATIONS	PRIME	EASY
Maximum size	1000 x 2700 mm	1000 x 2400 mm
Minimum size	500 x 1000 mm	500 x 1000 mm
Material	Aluminium, Glass	Aluminium, Glass
Decorative bars	20mm	20mm
Structural bars	33mm	-
Glass	4mm or 6mm	4mm

*designed **in detail***

key benefits

01 MORE NATURAL LIGHT

Brightens the interior and gives it a lighter feel

02 SUBTLE SPACE DIVISION

Separates zones without closing off the interior

03 VERSATILE DESIGN

Works with a wide range of styles and spaces

Presented model:
Alu-Loft Prime M.8

V Bars: structural
V Colour: RAL 9005
V Glass: VSG 33.1 6mm
V Pull handle: Novak
V Size: 900 x 2400 mm

ALU-LOFT

double doors

Space. Symmetry. Impact.

Double doors open up the interior, bringing in more natural light and creating an impressive transition between spaces.

Balanced proportions, everyday comfort and a timeless architectural character.

SPECIFICATIONS	PRIME	EASY
Maximum size	2000 x 2700 mm	1000 x 2400 mm
Minimum size	1000 x 1000 mm	1000 x 1000 mm
Material	Aluminium, Glass	Aluminium, Glass
Decorative bars	20mm	20mm
Structural bars	33mm	-
Glass	4mm or 6mm	4mm

designed in detail

key benefits

01 **WIDER OPENING**

Two door leaves create a comfortable, striking transition between spaces

02 **PERFECT BALANCE**

Symmetrical form brings order to the interior and highlights its architecture

03 **STRONG STATEMENT**

Larger scale gives the space a more distinctive and prestigious character

Presented model:
Alu-Loft Prime M.2

- V Bars: structural
- V Colour: RAL 9005
- V Glass: VSG 33.1 - toughened 6mm
- V Pull handle: double Base
- V Size: 1700 x 2200 mm

ALU-LOFT

fixed screens

Light. Space. Harmony.

Fixed screens open the interior to natural light while maintaining a clear division between spaces.

Minimalist form, visual lightness and timeless architectural character.

SPECIFICATIONS	PRIME	EASY
Maximum size	1200 x 2700 mm	1200 x 2400 mm
Minimum size	300 x 300 mm	300 x 300 mm
Material	Aluminium, Glass	Aluminium, Glass
Decorative bars	20mm	20mm
Structural bars	33mm	-
Glass	4mm or 6mm	4mm

designed *in detail*

key benefits

- 01 MORE NATURAL LIGHT

Bring more daylight into the interior and make the space feel more open
- 02 SUBTLE SPACE DIVISION

Separate zones without closing off or overwhelming the interior
- 03 VERSATILE DESIGN

Solution that blends seamlessly with a wide range of styles and spaces

Presented model:
Alu-Loft Prime M.2

- V Bars: structural
- V Colour: Black
- V Glass: toughened - 4mm
- V Pull handle: Base
- V Fixed screens:
2550 x 3000mm
5200 x 3000mm
- V Doors size: 850 x 2200mm

ALU-LOFT

doors with fixed screens

Light. Entrance. Character.

Doors with fixed screens create a more open and distinctive composition, bringing more natural light into the interior.

Greater scale, the lightness of glass and a strong architectural effect that immediately draws attention

designed in detail

key benefits

01 MORE NATURAL LIGHT

Fixed screens bring more daylight into the interior, making the entrance area feel brighter and more open

02 STRIKING COMPOSITION

Combination of doors and fixed glazing creates a cohesive, architectural statement

03 MORE DESIGN FREEDOM

Adapt the fixed-screen layout to the opening width, interior proportions and character of the project

Presented model:
Alu-Loft Prime C.3

V Bars: structural
V Colour: Black
V Glass: toughened 4mm
V Pull handle: Base
V Total size: 1700 x 2800 mm
V Doors size: 850 x 2200 mm

ALU-LOFT

sliding doors

Space. Lightness. Freedom.

Sliding doors allow you to seamlessly connect or separate zones, saving space while giving the interior a modern character. Lightweight form and effortless everyday use.

SPECIFICATIONS	PRIME	EASY
Maximum size	1200 x 2700 mm	1200 x 2400 mm
Minimum size	500 x 1500 mm	500 x 1500 mm
Material	Aluminium, Glass	Aluminium, Glass
Decorative bars	20mm	20mm
Structural bars	33mm	-
Glass	4mm or 6mm	4mm

designed in detail

key benefits

01 **MANY VARIANTS**

Choose the solution that fits your interior

02 **SUBTLE SPACE DIVISION**

Separates functional zones without closing off the interior or compromising its sense of lightness

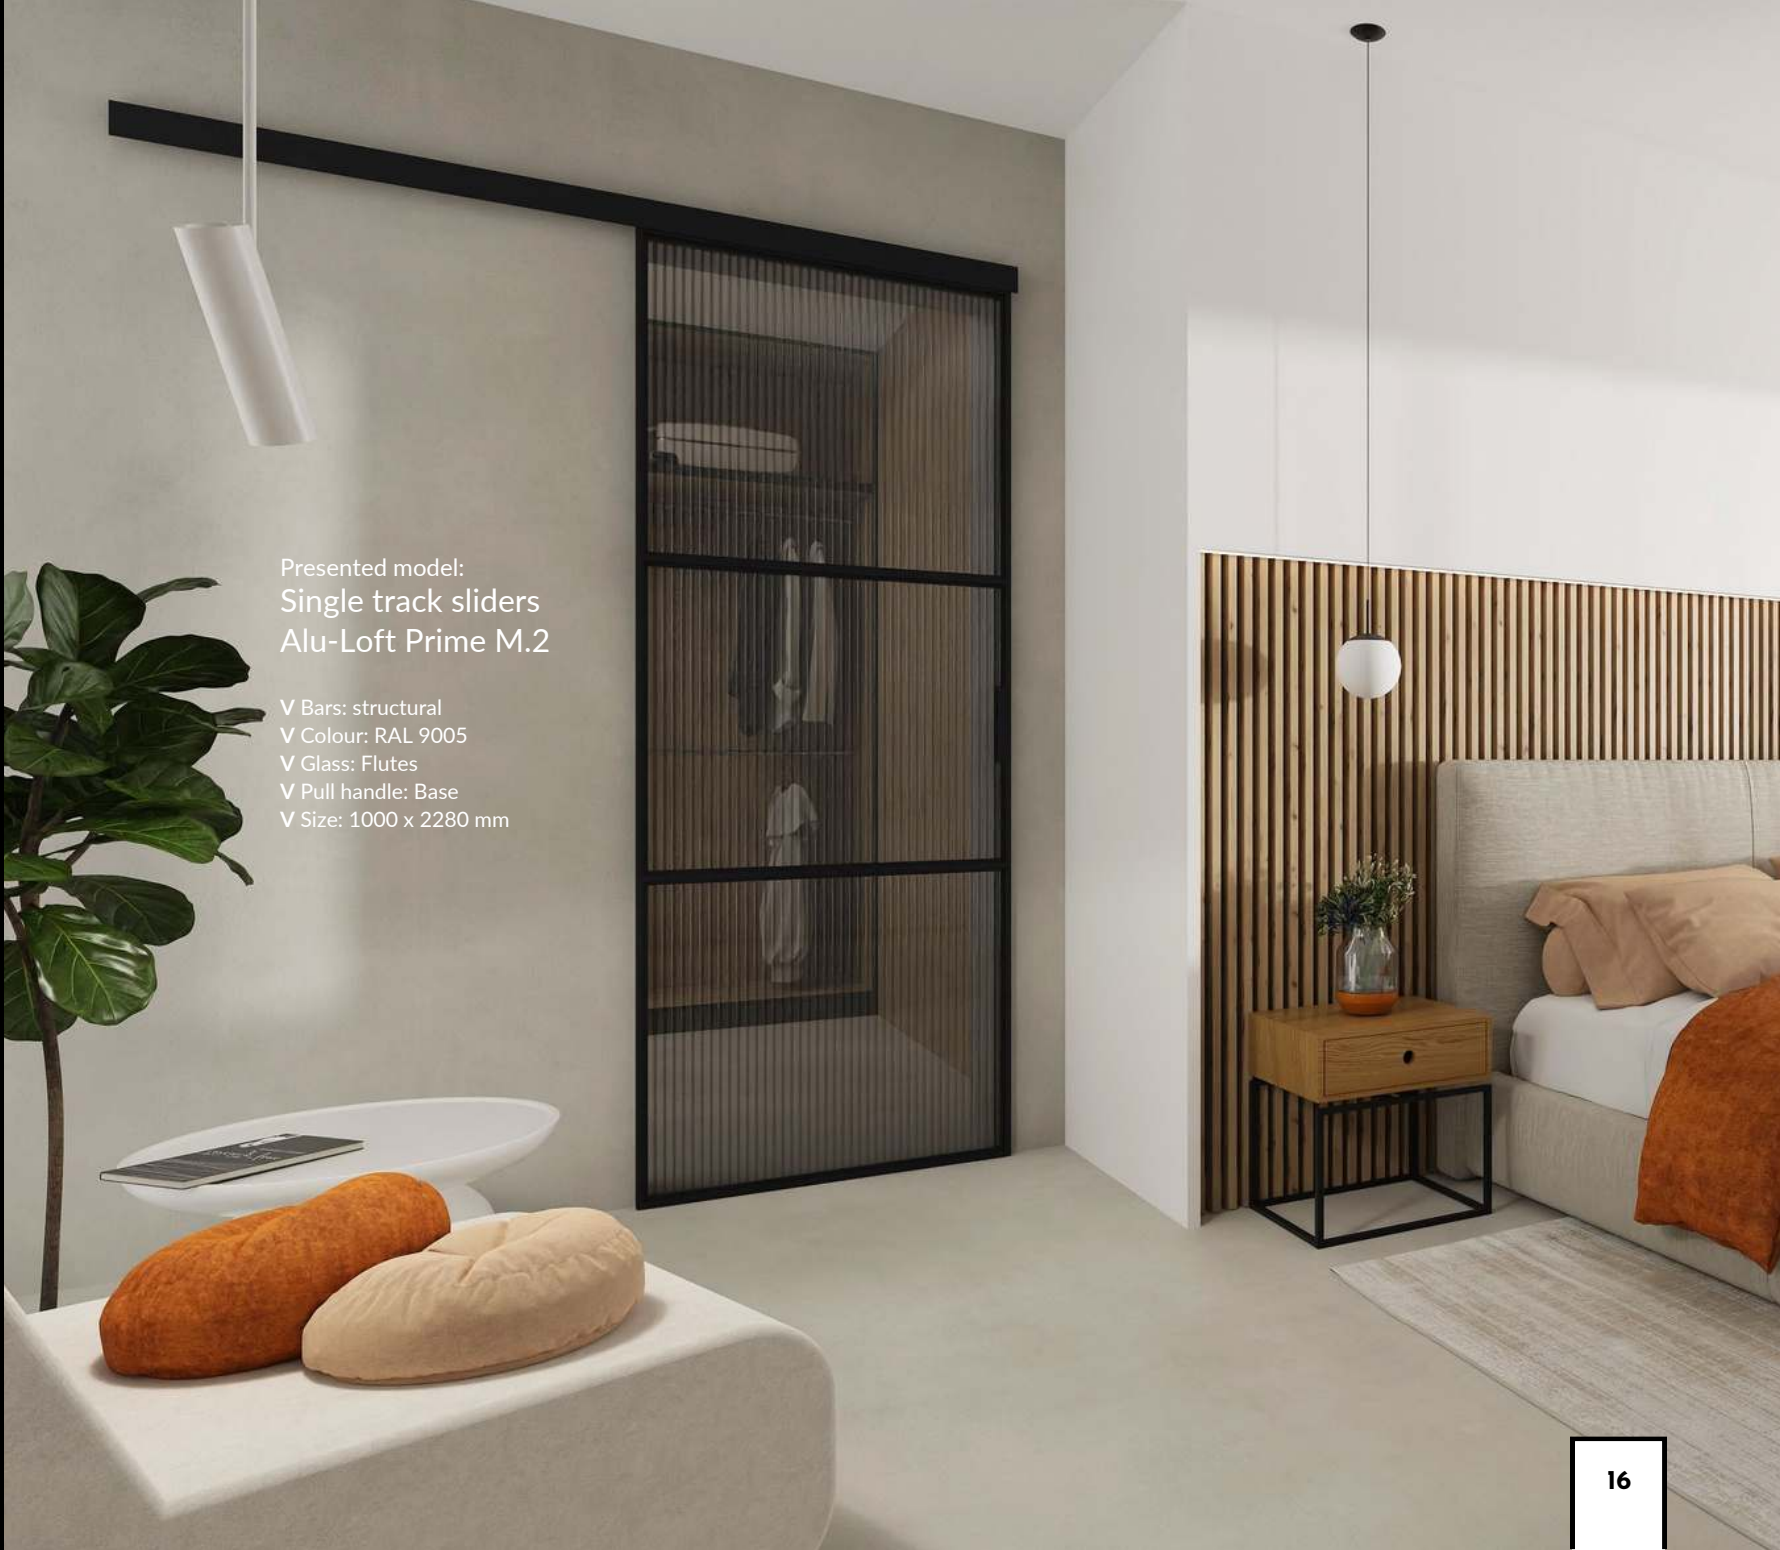

03 **VERSATILE DESIGN**

Solution that blends seamlessly with a wide range of interior and architectural styles

Presented model:
Single track sliders
Alu-Loft Prime M.2

- V Bars: structural
- V Colour: RAL 9005
- V Glass: Flutes
- V Pull handle: Base
- V Size: 1000 x 2280 mm

ALU-LOFT sliding doors pocket

Space. Lightness. Flow.

Pocket sliding doors disappear into the wall, allowing the passage to open completely and creating maximum freedom with an exceptionally clean interior look.

Minimalist form and space-saving design combine everyday comfort with modern architecture.

SPECIFICATIONS

Maximum size	1000 x 2040 mm
Minimum size	620 x 2040 mm
Material	Aluminium, Glass
Decorative bars	20mm
Glass	Toughened 4mm

designed in detail

key benefits

01 MULTIPLE VARIANTS

Choose the solution that fits your interior

02 SPACE-SAVING DESIGN

With no door leaf projecting into the room, you gain greater freedom in both layout and everyday use

03 CLEAN ARCHITECTURAL EFFECT

Concealed system enhances the minimalist character of the interior and keeps the space visually organised

ALU-LOFT

pivot doors

Lightness. Motion. Impact.

Pivot doors draw attention with their distinctive opening mechanism, giving the interior a modern, more architectural character.

Bold design, smooth movement and a solution that combines everyday comfort with strong visual impact.

SPECIFICATIONS

Maximum size	1200 x 2700 mm
Minimum surface	2.2m²
Material	Aluminium, Glass
Decorative bars	20mm
Glass	Toughened 4mm

designed in detail

key benefits

01 STRIKING OPENING

Unconventional pivot axis creates a distinctive effect and highlights the modern character of the interior

02 SMOOTH MOVEMENT

Pivot system ensures light, comfortable and effortless everyday use.

03 STRONG ARCHITECTURAL STATEMENT

Solution that organises the space and gives it a distinctive architectural form

handles

Aesthetics. Functionality. Durability.
